AK	<u>Issued by Bulletin on March 18, 2020:</u> The Alaska Division of Insurance prohibits carriers from terminating insurance contracts due to non-payment. This effort will provide relief to affected policyholders by allowing continuing insurance coverage. In conjunction with this effort, the DOI will work with carriers to minimize the regulatory effects of such an extension, specifically financial review requirements. The extension of the grace period does not eliminate the obligation to pay the premium, but limits policy cancellation for late payment. Carriers are encouraged to work with policyholders in the collection of premiums and to waive all late fees.	Bulletin 20-08: Fair Treatment of Consumers	4/2/2020
